WELCOME

It is with great pride that we share our name with the original community developed in 1910. In fact, one of the first homes erected that year is presently the second story of Atkins Park. It was in 1922 that the original home was elevated and Atkins Park Deli built underneath.

Atkins Park enjoys a colorful history as an integral part of this neighborhood and is presently the oldest continuously licensed tavern in Atlanta. Atkins Park is committed to having Atlanta's best neighborhood restaurant and tavern. Through greater community involvement and service, we have committed to the growth of the neighborhood while still striving to preserve and strengthen its warm neighborhood feel. We are proud of this community and grateful for the acceptance and loyalty of our neighbors. We welcome your comments, praise or criticism. You help us to better serve our guests.
